

## SIMULATOR INSTRUCTOR COURSES - HELICOPTER

### PRIVILEGES

These courses leads you to a qualification which entitles to train students for the licenses (STI) and for multi-crew coordination students (MCCI) using FNPT II simulators.

### PRE-REQUISITES

- For STI: you must hold, or have held within the 3 years prior to the application, a pilot license and instructional privileges appropriate to the courses on which instruction is intended.
- For MCCI: you must have 1000 hours of flying experience as a pilot in multi-crew operations.

### THEORETICAL COURSE

The theoretical training course shall include teaching and learning instruction and technical training related to the type of FSTD where the applicant wishes to instruct.

### PRACTICAL COURSE

The planning office of Italfly Academy organizes the appointments with the instructors for booking the flight hours on request. For both STI and MCCI, the candidate may pass an assessment of competence of 3 simulator hours with a FIE (H) as required in European regulation.
